Safety and Security Guidelines for Swimmers, Coaches, Officials and Spectators

Starts: It is the responsibility of the competitors, coaches and clubs, to ensure that all swimmers are competent to the standard of the ASA competitive start award, to perform a shallow racing dive into the water. In the event of a false start, swimmers should perform a safe entry with a shallow racing dive and not fall into the water. Swimmers are reminded that they are permitted to start in the water for all events, but must advise the referee of this prior to the start of their heat.

Warm up: During the warm-up, swimmers and coaches must ensure that they (and swimmers in their charge) take no action that would endanger themselves or others. The instructions of Pool Lifeguards or others in authority must be obeyed immediately.

Safety: Everyone attending the event must familiarise themselves with the location of the Emergency Exits, which must be kept clear at all times. Due to limited space poolside everyone is asked to observe all normal precautions in the pool area and when moving around the sports centre, to ensure their own safety and that of others. Anyone observing anything they consider to be a safety hazard must report it to one of the Meet Directors representatives. The pool depths are **1m** at the starting end of the pool and **2+m** at the diving pool end of the pool.

Competitors **must** leave the pool by the steps at the sides of the pool and not climb over the electronic pads.

An adjacent **swim-down facility is available**. This area must not be used during the formal warm-up time. It is the responsibility of the coaches/team managers to supervise their swimmers and to **ensure it is only used for swim-down activity**.

ALL SWIMMERS MUST WEAR SUITABLE FOOTWEAR AND TOPS WHEN IN THE STEWARDING AREA OR WHEN LEAVING POOLSIDE

Behaviour: The organisers and the pool management reserve the right to remove any swimmer or spectator from the pool area whose behaviour is either against the pool rules or the efficient running of the meet. Stewards will be patrolling the sports centre and anyone found causing damage or seriously misbehaving, will be banned from the meet and refused entry to the building.

Security: Competitors are advised not to leave their belongings unattended and to ensure valuables are placed in a locked locker or deposited with someone for safekeeping. Neither Thanet Swim Club nor the Pool Management will be held responsible for property that is lost.

Photography: In line with the recommendation in the ASA Child Protection Policy, the Meet Director of this event insists that any person wishing to engage in any video, zoom or close range photography and using a mobile phone with photographic capability should register their details in the book provided at the information desk, before carrying out any such photography.

Litter: Competitors and spectators are asked to place all litter in the receptacles provided and not to leave it on the floor, particularly in the spectator gallery, where it may become a safety hazard.

Any situation not covered by the previous meet rules and information, will be at the discretion of the Meet Director, who also reserves the right to make any changes that may be considered necessary for the smooth running and discipline of the gala.
